

Regn plus- og minusstykkerne i labyrinten.

A maze-shaped grid of cells. The path starts at the top left and ends at the bottom left. The operations in the cells are:

- Top row: 2, +2, (empty)
- Second row: (empty), (empty), +1
- Third row: (empty), (empty), (empty)
- Fourth row: +3, (empty), +2, (empty)
- Fifth row: (empty), (empty), (empty), -2
- Sixth row: -3, (empty), +5, (empty), -6, (empty)
- Seventh row: (empty), (empty), (empty), (empty)
- Eighth row: +5, (empty), +1, (empty)
- Ninth row: (empty), (empty), (empty), -5
- Tenth row: (empty), (empty), (empty), (empty)

Two cartoon animals are present:

- A lion sitting on a ball, located to the right of the top part of the maze.
- A dog balancing a ball on its nose, located at the bottom left of the maze.

Regn plus- og minusstykkerne i labyrinten.
