

Regn plus- og minusstykkerne i labyrinten.

The maze is composed of several interconnected paths of rectangular cells. The operations and numbers within the cells are as follows:

- Top-left path:  $4$ ,  $+2$ , (empty)
- Top-middle path:  $+2$ , (empty)
- Top-right path:  $+2$ , (empty),  $-3$ , (empty)
- Right side path: (empty), (empty),  $-5$
- Wide horizontal path:  $+2$ , (empty),  $-3$ , (empty),  $+6$ , (empty)
- Bottom-left path:  $+3$ , (empty),  $-4$ , (empty)
- Bottom-right path: (empty),  $-4$ , (empty)

A skull is located at the top right of the maze, and a monkey is at the bottom left.

Regn plus- og minusstykkerne i labyrinten.
